The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application to Register Permanent Residence or Adjust Status. A copy of this notice should be submitted with the application, with appropriate fee, to this Service Center. Additional information about eligibility for adjustment of status may be obtained from the local USCIS office serving the area where he or she lives, or by calling 1-800-375-5283.

If the person for whom you are petitioning decides to apply for a visa outside the United States based upon this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

RE: HOA NGUYEN
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on November 3, 2016 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on April 13, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

Sincerely,

Kirt Thompson

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

This courtesy copy may not be used in lieu of official notification to demonstrate the filing or processing action taken on this case.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.
